

SEACOW HEAD LIGHTHOUSE

PRINCE EDWARD ISLAND

1873

150th Anniversary

2023

The place to be in 2023. It is worth the Drive in 2023 to Seacow Head Lighthouse, Fernwood, P.E.I.

It is less than one week before the Celebration of the Official Opening of the 150th 2023 Event on Wednesday August 2nd, 2023 at 2 pm. Spread the word.

The Tent is to be set up on Tuesday morning and if the weather is not favorable, it will be set up on Monday. We could use some help to set up inside for Wednesday and could also use more Volunteers for the Official Opening and the Lobster Supper. Just show up half an hour before the start time.

Also, remember to save your refundable cans and bottles for the Lighthouse Fund raising to help offset costs. Contact tsherry@gmail.com for more info.

To everyone; this 2023 150th Event celebration and the Seacow Head Lighthouse belongs to you all.

Thank you

Tom
